

# SOLEDAD CALIFORNIA

## Welcome to Soledad

The City of Soledad is located in the center of the Salinas Valley, nestled between the beautiful Santa Lucia Mountains to the west and the picturesque Gabilan Mountains to the east. Our City is surrounded by the Valley's booming agricultural community, home to fields of lettuce, broccoli and asparagus, as well as row upon row of some of the finest wine grapes in the state. There's hiking, camping, biking, a wealth of California history to discover and a pace of life that's reminiscent of a less hectic time.
